# ALL SCHOOLS STATE CHAMPS

## CEO'S WELCOME

From its commencement back in 2013, the All-Schools program has grown significantly, thanks to the support of club and school programs, that have aligned their junior development with the program. This truly inclusive school-age rowing program is now a breeding ground for up and coming talent as well as a great place to safely enter the sport of rowing. The 2023 Championships was the biggest we have seen since pre-COVID, showing that the sport is slowly building back to pre-pandemic levels, with nearly 350 young athletes taking part. There was a notable excitement (and plenty of nervous energy) in the boat park during the day.

I would like to thank Healthway, through their Act Belong Commit campaign for their support of the All-Schools season, culminating in a range of activities at the Championships. Hopefully the rowers and their supporters recognise the benefits of this campaign and can convey this great positive message to their peers.

Congratulations to everyone that participated in the 2023 Act Belong Commit All Schools State Championships. We hope you have enjoyed the season and walked away with some new skills, a new PB and some new friendships.

# ALL SCHOOLS STATE CHAMPS

## What's ABC?

### **Act** Do something.

#### **Keep active! Physically, mentally, socially...**

Row, erg, cross-train, walk at the beach, catch up with a friend, get coffee with grandma, smile at someone in the street, take a yoga class, read in a cafe!

### **Belong** Do something with someone.

#### **Keep connected - a sense of belonging!**

Catch up with your support network, join a club in the off-season or once you finish school rowing, try a new hobby, host a dinner for your friends, plan a picnic!

### **Commit** Do something meaningful.

#### **Pick a goal or cause that has value to you**

Volunteer to help at your club, coach Learn to Row crews at your school, help out with programs in your local council area, set goals for your rowing, plan a fundraiser for a charity close to your heart.
