

2022

STATE CHAMPIONSHIPS WA MASTERS

Sunday 1st May 2022
Souvenir Program
Champion Lakes Regatta Centre

"Rowers...can do it all, and they can do it well."

Joining the rowing team will be the greatest decision you will ever make, if you choose to accept the harsh realities of the sport.

By doing so, you will understand the incalculable value of an indomitable spirit – and you will learn, above all, that your achievements in life are limited only by the magnitude of your drive to achieve them."

– Amy Yao

Thank You

Boat Race Officials

- Brett Woolfitt OAM
- Carole Pedri
- Dean Steadman
- KG Dassanayake
- Kim Richardson
- Lynette Sleight
- Lynne Bayliss
- Paul Johnston
- Simone Burge

Your Host *Club*

THE UNIVERSITY OF
WESTERN AUSTRALIA
BOAT CLUB

The UWA Boat Club was founded shortly after the University began, with UWA students competing in Intervarsity championships from 1919.

In 1929, the UWA Boat Shed was constructed on Matilda Bay through a series of debentures purchased by Perth citizens who wanted to support rowing at UWA.

The top floor of the Boat Shed was constructed during WWII by the US Navy to service Catalina aircraft that patrolled WA's coastline.

In recent years, the Club has developed a strong masters rowing program and Shenton College Rowing Program, all in an effort to bring rowing to ever more university students and truly deliver an amazing university student experience.

Events

*"Glory is in the team not
the individual."*

– Sean Sullivan

Your 2022 Masters *State Team*

Our 2022 WA Masters State Team were presented with their kit this afternoon at the WA Masters State Championships medal presentations.

The ladies were officially introduced by Claire Jansen, Rowing WA's Operations & Development Coordinator, & proudly stepped up to accept their kit & pose for a photo.

The State Team will be representing WA at the 2022 Australian Masters Rowing Championships to be held at Lake Wendouree, Victoria from 19.05.2022 to 22.05.2022.

Good Luck
Ladies!

A rower knows the underlying presence that moves a boat; it is quite simply force and energy.

The force needs to be penetrating, and the energy needs to be driving and uninhibited.

– Drew Ginn

Results

"In order to win you have to do something that the boat next to you isn't willing to do."

– @rowingmachineking.com

“

Winning a rowing race is not like winning anything else. Here's my theory: you're facing backwards, so you're looking at the people you're beating--and there's something exquisite about that.

”

– Hugh Laurie
